Four Futures: Life After Capitalism by Peter Frase Jessica Rosa In this book Peter Frase examines four different models of economic systems through four different hypothetical futures. The author obviously disputes that capitalism is the best economic system, so this is a book best. Four Futures: Life After Capitalism (Jacobin): Peter Frase ... In Four Futures: Life After Capitalism, Peter Frase uses metaphor from popular culture, for example, Star Trek, to describe what life might look like after capitalism, whether we evolve into each future or have it thrust upon us on two axis: equality v. hierarchy and abundance v. scarcity. Four Futures: Life After Capitalism review “ will robots ... Peter Frase gives four answers to this question in Four Futures: Life After Capitalism. He offers two heavens and two hells: two ways that automation might facilitate a flourishing of human life, and two ways that it might maximise human misery.

Four futures: life after capitalism | openDemocracy Frase uses two intersecting spectrums to explore the potential futures he discusses. On the one hand, we have a spectrum running from inequality to hierarchy. On the other, we have scarcity to abundance. Mapping across these spectrums, Frase ends up outlining a typology of four futures: communism, rentism, socialism and exterminism. Four Futures - Jacobin But if we do not arrive as equals, and environmental limits continue to press against us, we come to the fourth and most disturbing of our possible futures. In a way, it resembles the communism that we began with “ but it is a communism for the few. Four Futures: Life After Capitalism (Jacobin) Kindle Edition In Four Futures: Life After Capitalism, Peter Frase uses metaphor from popular culture, for example, Star Trek, to describe what life might look like after capitalism, whether we evolve into each future or have it thrust upon us on two axis: equality v. hierarchy and abundance v. scarcity.

Four Futures: Life After Capitalism - YouTube Four Futures is part of Verso's Jacobin series, featuring short interrogations of politics, economics, and culture from a socialist perspective. The books offer critical analysis and engagement with the history and ideas of the Left in an accessible format. The Art of the Possible: Peter Frase’s “Four Futures ... An energetic blend of polemic, book report, and caffeinated blog post, Four Futures essays more lines of argument in 149 short pages than many respectable op-ed pages manage in a year. Frase aims to make conjecture about the future useful by yoking what may seem to be wild fantasies (read: genuine surprises) to rigorously specified problems.
